Any class that is not offered as a "drop in" is open to a free trial class prior to registration. If, due to extenuating circumstances you feel a change to your program is necessary please discuss it with Mr. Bloch. As always it is necessary that you check with your doctor before starting any exercise program. Please feel free to ask any question or voice any concerns you may have prior to registering for a program. Thank you and welcome to Warrior's Way.

I have read and fully understand the above note.
